## Education

ABES Engineering College (Affiliated with AKTU)

Nov 2021 – Present

Bachelor of Technology in Computer Science and Engineering.

Ghaziabad, India

## Experience

Know Your Colleges

June 2024 – September 2024

Frontend Developer Intern

Remote

- Developed responsive web interfaces using **React.js**, ensuring a seamless and user-friendly experience across devices.
- Optimized frontend performance by debugging, refactoring code and implementing efficient state management solutions.
- Collaborated with cross-functional teams to deliver visually appealing features using **CSS frameworks** while adhering to Agile workflows and best practices.
- Explored ways to visualize and send a daily report of test results to team members using **HTML, JavaScript, and CSS**.

## Projects

PopCart | React.js, Redux, Tailwind CSS, Node.js, Express, MongoDB, JWT, Cloudinary, PayPal

September 2024

- Developed a fashion e-commerce platform with React.js, Node.js, and Express.js, ensuring high performance and a seamless user experience.
- Implemented secure **JWT authentication** and role-based access control to enhance user data protection.
- Integrated **Cloudinary** for image hosting and **PayPal** for secure payments, enhancing user experience and trust.
- Optimized state management using **Redux Toolkit**, improving user experience with a responsive, mobile-friendly UI built with **Tailwind CSS**.

ChatMate | React.js, React-toastify, Emoji-picker-react, Firebase

April 2024

- Developed a real-time chat application with **React.js** and **Firebase**, ensuring seamless authentication and data synchronization.
- Leveraged Zustand for efficient **state management**, reducing app latency and improving performance.
- Implemented real-time notifications with **React-toastify** and enriched user experience with an **Emoji-picker-react** for interactive communication.
- Enabled media sharing capabilities using **Firebase storage**, allowing users to exchange images and files securely.

Portfolio | React.js, Email.js, Tailwind CSS

October 2023

- Designed and developed a sleek, fully responsive portfolio website using **React.js**, showcasing skills, projects, and achievements.
- Integrated dark mode functionality to enhance accessibility and improve user experience.
- Implemented **Email.js** for direct contact functionality, allowing seamless communication via email.
- Optimized for mobile-first responsiveness, ensuring a smooth experience across various devices and screen sizes using **Tailwind CSS**.

## Skills

Languages: C++, HTML/CSS, JavaScript, SQL

Developer Tools: VS Code, Firebase, Git, Netlify, Figma, AdobeXD

Technologies/Frameworks: React.js, Redux, Express, Node.js, Tailwind, Bootstrap

Courses: DBMS, OOPs, Computer Networks

Soft Skills: Empathetic Listener, Team-oriented, Resilience, Design Thinking, Innovative

## Awards & Achievements

- Secured first place among 124 teams in the college internal Smart India Hackathon (SIH).
- Achieved 3rd place out of 140 teams at Bennett University hackathon.
- Recognized as a top 10 contributor in Script Winter Of Code.

## Extracurricular & Volunteer Activities

- Mentor, GSSOC'24** – Guided aspiring developers in open-source contributions and professional growth.
- Contributor, SWOC** – Enhanced functionality and user experience in over 5 open-source projects.
- Graphic Designer Lead, DataVerse** – Led design initiatives, crafting impactful visuals and branding that engaged 500+ students in various events and activities.
